**A Note from our President:**

We are coming to the end of our 2011 second quarter. Summer is near and our Flint Chapter is sizzling hot with planning and activity. I am very fortunate to work with such a dedicated WCR team and our dynamic membership. We all are reaping the benefits of their hard work, our membership numbers have increased tremendously from 2010, our Monthly Business Resource Lunch attendance has increased from 2010, we are moving our chapter from Great to Exceptional!

Beth McNaney

Our Membership Committee held a New Member Orientation in June. It was a wonderful program filled with good information about WCR. If you are a new member and haven't attended an orientation please contact either Rob Moen, Michelle Papatheodore, or Mary Smith and they can assist in getting you registered to attend the next session.

WCR Branding is Important! Just a quick reminder that every reference about your Local Women's Council. Chapter in emails and publications should contain the chapter name. Example: "Your Chapter Name" WCR, then the event/function. Do you really want to shortcut Women's Council of Realtors? If you fail to identify your chapter specifically, your event can get lost among the Hundreds of other chapters having events. Stay consistent wherever you promote your chapter: facebook, twitter, evite, emails, etc.

Mark Your Calendars! Greek Town Casino, joint venture outing with FAAR and our Chapter August 16, 2011, 12:30 p.m. – 7:30 p.m. Cost is \$30 per person and you will receive \$20 casino play once we reach Greek Town!
